RAILROAD CONVENTION.

Organization of the Brownsville and Holly Springs R. R. Company.

A Convention of the Stockholders of the Brownsville & Holly Springs Railroad Company assembled in the town of Somerville, Fayette county, Tennessee, on the 4th day of April 1870, for the purpose of organizing said company, when E. W. Uppshaw was selected as Chairman of the Convention, and W. A. Tanner and E. R. Spriggs were chosen Secretaries.

After reading the charter, the Convention proceeded to elect seven Directors, which election resulted in the choice of the following gentlemen:

F. B. Ragland, Fayette county. E. W. Uppshaw, Holly Springs. J. P. Wood, Brownsville. Ed. Dickinson, Sr., Somerville. J. L. Pullman. J. A. Hill. Dr. J. D. Smith, Dyer county.

The convention took a recess until two o'clock p.m., at which time it reassembled, when the Chairman announced to the Convention the organization of the Board of Directors, Dr. J. D. Smith, President, and Col. J. P. Wood, Secretary.

The following resolution was introduced by Dr. J. D. Smith:

Resolved, That this Convention tender to the stockholders of the Brownsville & Holly Springs Railroad company, the proposition to consolidate this company with theirs, making the two companies one, as indicated in the charter of the Brownsville and Holly Springs Railroad company, which, when consolidated to be called the Holly Springs, Brownsville and Holly Springs Railroad Company.

Upon the acceptance of this proposition by the Brownsville & Holly Springs Railroad Company, the consolidation is to be considered as completed without further action by the Stockholders of the Brownsville and Holly Springs Railroad Company.

This resolution was unanimously adopted.

The Secretaries were instructed to send a copy of the resolutions, together with action had thereon by this Convention, to the officers of the Brownsville and Holly Springs Railroad Company.

The Convention by resolution requested as a courtesy to this new and important enterprise, that the press of St. Louis, Louisville, Memphis, Paducah, Chicago, Evansville, Brownsville, Cairo, Dyersburg, Holly Springs, Sumerville and Jackson publish the proceedings of this body.

On motion the Convention adjourned to meet at the call of the President.

E. W. UPPSHAW, Chairman. W. A. TANNER, E. R. SPRIGGS, Secretaries.

THE P. R.

A Large Crowd of Roughs come to Grief.

The prize fight arranged between two New York toughs, named Kerrigan and Tabney, was prevented by the militia.

The battle ground chosen was Charles Island, three miles from Millard's Point.

On Tuesday—the day fixed for the fight, about two hundred roughs congregated on the island, and while waiting for the appearance of Tabney, were surrounded by the militia, and fifty of the number placed under arrest.

The crowd that was escorting Tabney hearing of the descent of the militia, took the cars and started on their return.

On the way back they robbed all the passengers on the train and refused to pay passage.

The conductor determined to bring them to account, detached the locomotive from the train, and headed on to the next station where he telegraphed for help.

In due time a company of militia arrived on the ground, and effected the arrest of all the most desperate characters, and among others Kit Burns, of rat pit notoriety.

These prisoners, as well as those from the Island were hustled into cattle cars and brought back to the city.

MURDER.

A FRENCH BOY MURDERS HIS SISTER.

The Commerce, Mo., correspondent of the St. Louis Republic, writing under date 11th inst., gives the following particulars of a brutal murder by a boy eight years of age:

Last Wednesday our town was startled by the intelligence that a little boy, son of Henry Wolf, a farmer, living about five miles from here, had killed his little sister, about three years old, with a shotgun.

The boy is only eight years old. It seems the parents left the little boy in charge of his little sister. As soon as the parents had left the boy insisted that the little girl should eat breakfast; child-like, she refused.

The boy then beat the girl, and finally got hold of a shotgun and placed the muzzle upon the breast of the girl and fired. The girl, it would seem, must have instantly died from the effects. After this act the boy took the body of the dead child into a clearing, covered it with boughs and fled in the woods.

Soon after this occurrence the mother returning, saw the bloody tracks, and followed them found the lifeless remains of the child. The boy soon came back. From what I hear, the boy has been so cruelly treated by his father that he is idiotic. He seems to have no conception whatever of the horrible deed he committed.

HAIR RESTORATIVES.

PHALON'S "VITALIA;"

OR, Salvation for the Hair.

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the "dyes," "colorers," and "restorers" (?) in use.

It acts on a totally different principle. It is limpid, fragrant, and perfectly innocuous, precipitates no muddy or flacculent matter, requires no shaving up, and communicates no stain to the skin or the linen.

No paper curtain is necessary to conceal its turbid appearance, for the simple reason that it is not turbid. It is, to all intents and purposes, a NEW DISCOVERY in Toilet Chemistry.

PHALON'S "VITALIA" is warranted to effect a change in the color of the hair within 10 days after the first application, the direction being carefully observed.

IT IS AS CLEAR AS WATER! AND AS PLEASANT TO USE.

Price, One Dollar per Box, CONTAINING FIFTY APPLICATIONS.

SOLD BY ALL DRUGGISTS.

If your Druggist has not "Vitalia" on hand, write, enclosing \$1.00, and we will forward it immediately.

DR. JOHN BULL'S

Great Remedies

DR. JOHN BULL CELEBRATED

Smith's Tonic SYRUP

FOR THE CURE OF AGUE AND FEVER

Chills and Fever.

THE proprietor of this celebrated medicine uses it himself for its efficacy over all remedies ever offered to the public for the safe, easy, speedy and permanent cure of Ague and Fever, of Chills and Fever, whether of short or long standing. He refers to the entire Western and southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medicine, after having taken three or four doses of Bull's Tonic, a single dose of Bull's Vegetable Family Pills will be sufficient.

BULL'S WORM DESTROYER

To My United States and World wide Readers:

I HAVE received many testimonials from professional and medical men, as my ailments and various publications have shown, all of which are genuine. The following, from a highly educated and successful physician, is particularly one of the most sensible communications I have ever received. Dr. Clement knows exactly what he speaks of, and his testimony deserves to be written in letters of gold. Hear what the Doctor says of Bull's Worm Destroyer:

Villanov, Wauger County, Ga., June 29, 1866.

Dr. John Bull—Dear Sir: I have recently given your "Worm Destroyer" several trials, and find it a wonderfully efficacious. It has not failed in a single instance to have the whole or effect. I am doing a pretty large county practice, and have daily use for some article of the kind. I am free to confess I know of no remedy recommended by the ablest authorities that is so certain and speedy in its effects. On the contrary, they are uncertain in the execution. I am engaged in writing you to find out upon what terms you can get the medicine directly from you. If I can get it upon easy terms, I shall use a great deal of it. I am aware that the use of such a medicine is contrary to the teachings and practice of a great majority of the regular line, discarding a remedy which we know to be sufficient, simply because we may be ignorant of its combination. For my part, I shall make it a rule to use all and every means to relieve suffering humanity, and I shall be glad to commend—not hesitating because some more ingenious than my self have learned its effects first, and secured the sole right to secure that knowledge. However, I am by no means an advocate or supporter of the thousands of worthless nostrums that flood the country, that purport to cure all ailments of the human system. Please reply soon, and inform me of your best terms. I am, sir, very respectfully, JULIUS P. CLEMENT, M. D.

BULL'S SARSAPARILLA

Read the Captain's Letter and the Letter from his Mother:

Benton Barracks, Mo., April 30, 1866.

DR. JOHN BULL—Dear Sir: Knowing the efficiency of your Sarsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my case. At thirteen years of age I was wounded about two years ago—was taken prisoner and confined for sixteen months. Being moved so often, my wounds have not healed yet. I have not had a moment's rest. I was wounded in an shot through the hip. My general health is impaired, and I need something to assist nature. I have more faith in your Sarsaparilla than in anything else. I wish that it is genuine. Please express me a half dozen bottles, and oblige. CAPT. C. HENSON, St. Louis, Mo.

P. S.—The following was written April 30, 1866, by Mrs. Jennie Johnson, mother of Capt. Johnson.

DR. JOHN BULL—Dear Sir: My husband, Dr. C. H. Johnson, was a skillful surgeon and physician in Central New York, where he died, leaving the above Mr. P. Johnson in my charge. At thirteen years of age he had a chronic diarrhea and prostrated, for which I gave him your Sarsaparilla. It cured him. I have more faith in your Sarsaparilla than in anything else. I wish that it is genuine. Please express me a half dozen bottles, and oblige. JENNIE JOHNSON

BULL'S CEDRON BITTERS

AUTHENTIC DOCUMENTS. Arkansas Heard From.

Testimony of Medical Men.

Stony Point White Co., Ark. May 23, '66.

DR. JOHN BULL—Dear Sir: Last February I was afflicted with a severe case of cholera, and was prostrated. I was confined for several days, and was unable to get up. My son-in-law, who was with me in the store, then took me to the use of your Bitters. Indeed, he commenced on the Bitters, and soon found his general health improved.

Dr. Gist, who has been in a bad health, tried them, and he also improved.

Dr. Coffey, who has been in bad health for several years—stopped and after taking—he improved very much by the use of your Bitters. Indeed, the Cedron Bitters has given you great popularity in this settlement. I think I could sell a great quantity of your medicine here, especially the Cedron Bitters and Sarsaparilla. Ship me the Memphis care of Rickett & Neely.

Respectfully, G. B. WALKER.
